

Our Annual Away Trip- Historic Toowoomba

21st-24th May 2024

Theme: *History, beautiful scenery, and lots to do and see.*

Proposed Itinerary

As with any trip I organise there is no obligation to go to everything on the program. This time, though, I would like the group to do all of Day 2 if they can.

Our accommodation of choice for those in cars is Jeffery's Motel. It is not far from Toowoomba Motor Village which caters for caravans and motor homes. (www.jefferysmotel.com.au
www.toowoombamotorvillage.com.au)

Budget Rooms (only microwave , tea/coffee facilities): \$112 single or \$122 for a couple, per night

Standard rooms (full kitchens) \$124 for single and \$134 for a couple per night

Caravan sites at TMV: powered sites \$45 per night

Day 1.

Leave from Cruice Park, Woodford at 9.15 for Blackbutt for Morning

Tea, a wander around town and opportunity to visit the Roy Emerson Museum. We then take the recently sealed back road from Blackbutt to Crow's Nest where we will have about 30 minutes to wander around the town.

(This stop is for the ladies as there are some craft shops). After lunch at the Highfields Tavern we will go to the Highfields Pioneer Village (\$15) which has some terrific exhibits, although there is more here for the men. Happy Hour

will be at the motel at 5 and then dinner across the road at The Terrace Restaurant in The Southern Hotel.

Day 2.

Departing at 9 from Jeffreys, we travel to Steele Rudd Memorial Park in Greenmount, then

to Glengallen Homestead for a tour

(\$15) and morning tea. (If we have enough Jags we

can get a group photo in front of the homestead

On our way to Nobby we will travel through

pretty Allora and Clifton. After lunch at Rudd's

to the former PM) we will visit the Sister Kenny

donation).

like the one above)
historic and very
Pub (no connection
Museum (by

Again Happy Hour will be at 5 and then dinner at The Garden Chinese Restaurant

Day 3.

First up a visit to Cobb and Co Museum where morning tea is available (\$10 concession) and then out to the Downs Steam Railway Centre. There are no trains running while we are there but still plenty to see and do. (\$5) There will be free time in

the afternoon before Happy Hour and dinner at La Pizzaiola.

Day 4.

So far all that is planned is a farewell breakfast at The Southern Hotel across the road. We can discuss a stop on the way home at the Gatton Transport Museum or a stop at Monty's Garage.

Well before we leave all participants will get maps, detailed itinerary, menus for most places we are eating, suggested attractions that we are not visiting but which you might enjoy and , of course , Op Shop listings and addresses.

Interested????

Please contact me on 0498203257 or goodwillpark2@gmail by 2nd March so I can give the motel some idea of how many rooms to block out.
