

Wappa Dam Run

A Scenic Run in the Country Skippy Park to Wappa Dam Picnic Area

WHEN: Thursday 20th April 2023 10:00am
START: Skippy Park
335 Old Landsborough Road Landsborough

The route travels through the Sunshine Coast Hinterland, avoiding major roads. There is no dirt, and the Wappa Dam Picnic area has good undercover facilities, with BBQ's and the mandatory toilets.

The navigation is easy, so the chances of becoming lost should be minimal. There will be optional (easy) observation questions and a small prize. This is a self-catered run, just to keep things simple.

Useful things to bring:

- Sufficient fuel to cover the run plus getting to Skippy Park and home from Wappa Dam Yandina
- Morning tea, lunch. There are electric BBQ's at Wappa Dam, so cater to suit your taste.
- Folding Chairs. Although there is plentiful seating and tables available, for flexibility and convenience you may wish to bring your own.
- All the items you might need for a picnic in the country
- Hats, sunscreen etc – Wappa Dam Area is well treed, and we will probably use the under cover area, but if you are prone to burn, a hat and sunscreen might help
- Remember to have some water in the car, just in case

Plan: To meet and have morning tea at Skippy Park, then briefing and depart at around 11am for Wappa Dam.
