

What's New at SNG Barratt?

Check out what is new to range at SNG Barratt this week...

New in Stock!

Rear Wishbone Control Arm — Jaguar X-Type (C2S24713BB)

Brand new Borg & Beck wishbone arm for X-Type models. A common issue on these otherwise reliable cars is the wishbone arms failing over time, leading to unwanted noise and handling issues if left unaddressed. These high-quality Borg & Beck arms offer genuine peace of mind, are super competitively priced, and are in stock now for prompt dispatch. Click [here](#) to view part on website.

Hazard Warning Escutcheon — Jaguar E-Type Models (C28518*)

Made obsolete by the original supplier, this small but essential component is now manufactured in-house at SNG Barratt's Bridgnorth facility. Producing the part in-house allows SNG Barratt to maintain tight control over quality and fitment, making this a welcome return for E-Type owners who have struggled to source it elsewhere. Click [here](#) to view part on website.

Heater Blower Wheel — Jaguar E-Type S3 (C33381*)

Made obsolete by the original supplier, this part is now produced in-house at SNG Barratt Bridgnorth using super-durable modern materials that improve on the original's longevity. It's a reliable, long-lasting replacement for E-Type S3 owners looking to restore proper heater function without compromise. Click [here](#) to view part on website.

Can't find what you're looking for? SNG Barratt is constantly producing new and uprated parts for classic and modern Jaguars. If there is a part you cannot find on the website or a part you think SNG Barratt should consider making, don't hesitate to get in touch with the sales team on **01746 765432** or email sales.uk@sngbarratt.com.
