

What's New at SNG Barratt?

Check out what is new to range at SNG Barratt this week...

New in Stock!

Differential Breather Elbow (8509*/1)

Recently made obsolete, SNG Barratt has moved quickly to secure a new supply and bring this back into stock. A small but important component in maintaining correct differential function, owners can once again source this part with confidence. Click [here](#) to view part on website.

Hose Pipe Clip Set —XJ-S V12 (HK029/FK)

Previously only available as individual clips, SNG Barratt has compiled this comprehensive kit for the XJ-S V12 by individually measuring every hose on the car. The result is a single, convenient purchase that saves considerable time identifying and sourcing each clip separately. Click [here](#) to view part on website.

Front Shock Absorber Damper — XK8 / XKR (MXD2140AA#)

Now available directly from original equipment manufacturer Bilstein, this front shock absorber damper for the XK8 and XKR offers a very considerable saving against the Jaguar-branded equivalent, with no compromise on quality. Click [here](#) to view part on website.

Can't find what you're looking for? SNG Barratt is constantly producing new and uprated parts for classic and modern Jaguars. If there is a part you cannot find on the website or a part you think SNG Barratt should consider making, don't hesitate to get in touch with the sales team on **01746 765432** or email sales.uk@sngbarratt.com.
