

What's New at SNG Barratt?

Check out what is new to range at SNG Barratt this week...

New in Stock!

Aluminium Heater Pipe — 3.0 Supercharged Models (AJ814053U)

The original plastic heater pipe on 3.0 supercharged models is notorious for splitting and cracking, often depositing coolant on the floor at the most inconvenient moment. SNG Barratt has sourced this aluminium replacement as a permanent, failure-proof solution that puts the problem to rest for good. Click [here](#) to view part on website.

Aluminium Camshaft Cover — 3.0 XF / XJ (C2S48786U)

Another victim of plastic degradation, the original camshaft cover on 3.0 XF and XJ models is prone to the same cracking and splitting issues. This black aluminium replacement retains the factory look while eliminating the problem entirely, offering a durable, long-lasting upgrade for any owner tired of dealing with a failing original.
