Rear Exhaust Silencer LH — X350 (C2C36501*)

The genuine left-hand silencer is also obsolete, leaving X350 owners without an original replacement. SNG Barratt has worked with its exclusive exhaust supplier to get this part back on the shelf for Jaguar X350 vehicles. Fitted alongside the right-hand silencer, it allows both sides of the rear exhaust to be put right. Click [here](#) to view part on website.

Aluminium Camshaft Cover RH — XK & XF (AJ812391U)

This black aluminium camshaft cover is now supplied complete with bolts, gaskets and seals.
