

SNG Barratt Press Release

Thursday 15th October

What's New at SNG Barratt?

Check out what is new to range at SNG Barratt this week...

New in Stock!

Phone Holder — E-Type (PHONEHOLDER1)

Brand new for 2026 and developed in-house at SNG Barratt, this phone holder is designed specifically for the E-Type, securing to the dash below the windscreen line and above the centre dials for a clean, unobtrusive fit. A practical modern addition that works with the car's layout rather than against it. Click [here](#) to view part on website.

Submerged to Remote Fuel Pump Conversion Kit — E-Type Series 1 3.8 (C19919CONV/NEG)

This conversion kit replaces the submerged fuel pump on E-Type Series 1 3.8 models with the later-style remote SU unit, supplied complete with all pipes and connections for a comprehensive and straightforward changeover. Click [here](#) to view part on website.

Crankshaft Spacer / Distance Piece and Seal — Various 6-Cylinder Models (C40147#/1)

Made obsolete by other suppliers, SNG Barratt has reintroduced this crankshaft spacer, distance piece, and seal for various 6-cylinder Jaguar models, ensuring a key piece of engine hardware remains available to those who need it. Click [here](#) to view part on website.

Can't find what you're looking for? SNG Barratt is constantly producing new and uprated parts for classic and modern Jaguars. If there is a part you cannot find on the website or a part you think SNG Barratt should consider making, don't hesitate to
