SNG Barratt Press Release

Thursday29th October

What's New at SNG Barratt?

Check out what is new to range at SNG Barratt this week…

New in Stock!

Seat Lever Escutcheon — XK8 / XKR (GJE4762AA)
With the genuine item now obsolete, SNG Barratt has remanufactured this seat lever escutcheon to keep XK8 and XKR interiors looking factory fresh. Supplied in black and suitable for painting to match any interior trim colour. Click here to view part on website.

Rear Brake Cooling Ducts — E-Type Series 3 (C37552* / C37553*)
Remanufactured in-house at SNG Barratt and test-fitted to several cars to ensure a complete and accurate fit, these rear brake cooling ducts for the E-Type Series 3 are a reliable, properly engineered replacement for a component that can be difficult to source elsewhere. Click here to view RH part on website.Click here to view LH part on website.

Balance Pipe Bracket — E-Type Series 3 (C35077*/1)
Also made in-house at SNG Barratt, this balance pipe bracket addresses a well-known longevity issue: the original clips crack and disintegrate over time. Produced from far more durable materials than the original, this is a genuine fit-and-forget replacement. Click here to view part on website.

Can't find what you're looking for? SNG Barratt is constantly producing new and uprated parts for classic and modern Jaguars. If there is a part you cannot find on the website or a part you think SNG Barratt should consider making, don't hesitate to get in touch with the sales team on 01746 765432 or email sales.uk@sngbarratt.com.
