BOM nomination forms can be downloaded from the JDCQ website under Resources. Send nominations to arrive with your Register Secretary by the 30th September.

What constitutes Badge of Merit?

The Badge of Merit award acknowledges work done for the club, not just in the here and now, but over many years consistently or in the past. It recognises outstanding contributions to the club. It acknowledges also those that have developed the club by contributing in a positive way to its success and image. It is open to all members.

After the 30th September each year, nominations received since the previous 1st October are considered by your Register committee and judgement made for presentation of this award. These Awards are presented at the Regional Register Christmas party unless otherwise arranged at year's end due to the location of recipients.

Submit your nomination with your reasons for your choice. You must be a financial JDCQ member to nominate another member. Nominations must be in writing and signed.

Please Note

Register secretaries are to notify both the Webmaster and Magazine Editor of awards immediately after presentation. The Editor will then publish a table of BOM and other awards in the next magazine and the Webmaster will update the Honour Boards accordingly.
