Peak Crossing

"The Jaguar Drivers Club of Qld once again co hosted a 'Day in the Country' with the Farsifern Valley Rotary Club.

This is a car display day and picnic at Neil and Jenny Summerson's property at Peak Crossing.

This year over 180 cars attended (including over 40 Jaguars) and all proceeds went towards 4 Aussie Heros...a not for profit Foundation established to assist Military, Police, Ambulance first responders with PTSD. This Foundation is building a retreat and conference centre at Kalbar (just near Peak Crossing).

For more information please see....

<http://4aussieheroes.com.au/>

Rotary catered for breakfast and lunch and those superb lamingtons were once again served with coffee and tea.

21 raffle prizes were drawn which included wonderful meat trays, tool wraps, an awning for a 4WD, car wash kits, a bottle of rum, vouchers etc.

These gifts were all donated by the participating clubs and private individuals

Over \$5500 was raised on a day where the weather was perfect."

Brisbane Register meeting Tues Sept 10th

Brisbane Register Committee member, Carl Brown, has a great knowledge of Remote Piloted Aircraft Systems, this includes Drones, to you and me, but not the ones you fly for fun! Who would have guessed – Jaguars and RPAS! So come along, hear all about them and there'll be one on display too!

Jags and Jazz at St John Fisher College

Jaguars Beaten By Morris Minor

Sunday 4th August was a typical glorious Brisbane winter day so what better way to spend the day than enjoying an outing in your Jaguar to St John Fisher College at Bracken Ridge for their inaugural Jags and Jazz event. JDCQ Treasurer John was one of the key organisers and also displayed his two lovely XJ coupes. High quality entertainment was provided by the St John Fisher College Rock Band, St Patrick's College Big band and the Robyn Brown Quartet.

Jags and Jazz—continued

Several food stalls, coffee vans and bar service catered for all tastes. The venue works well with a sealed carpark for display vehicles and plenty of shelter while enjoying the entertainment, food and drinks.

As well as eleven Jaguars there were many Porsches, Neil's Volvo P1800E, a Mercedes 190SL, 1927 Chevrolet, Austin A40, Alfa, Lotus, Falcon coupe etc. AND one immaculate Morris Minor which was deservedly awarded the People's Choice trophy, putting all the Jaguars in their place.

It was pleasing to see a couple of new JDCQ members attending their first event. The new JDCQ T-Shirts were in evidence and admired too. As well as the usual opportunity to catch up with Jaguar Club friends, much interest was shown by other attendees with lots of questions about the cars on display. After a successful day it is likely that this will become an annual event.

Did you know.....

There is a land speed record for a push bike? The current record was set last year by Denise Muller-Korenek on Utah's famous Bonneville Salt Flats. The record now stands at 296 km per hour!!! How on earth....?

Well it would be impossible for any one to pedal from rest up to that speed so Denise was towed behind a dragster, then when released pedalled like hell covering the measured mile at full steam. Staying behind the wind shield attached to the back of the dragster was in her words—"hanging on for dear life just to stay in that pocket of air".

Denise with coach and dragster driver

Training for the event took Denise months and months of gym work and cycle pacing behind motor bikes.

The previous record of 268 km per hour was held by Dutchman Fred Rompelberg set in 1995. Do we have another attempt in the offing? Not by Denise any time soon. Denise Muller-Korenek, mid 40s and mother of three, - fastest person alive on a push bike!

Greetings Members,

Just wanting to let you know, the 30th Anniversary of the *Chrysler Expo* is now a much expanded event with a strong emphasis on Chrysler vehicles and other vintage and historical things. Altogether at the one site will be: historical motor cycles, vintage speed cars, historical commercial vehicles and trucks, fire engines, vehicles from the RACQ Museum, military jeeps, vintage caravans, historic buses, working stationary engines and Penny Farthing bikes. For the kids, there's rides on the old buses, a model railways display and a jumping castle.

This is on the morning of Fathers' Day, September 1 Rocklea Showgrounds. (and if you have a Chrysler vehicle you'd like to display, please bring it along).

You're very welcome to come (with or without the grand kids).

Any queries, please email chryslerexpo@gmail.com
