Hi Members

The September issue is early as the first fellowship opportunity is early in the month on Father's Day. See below for details.

Sadly, August brought the passing of [Joan Henderson](#) , a JDCQ Life Member. A number of long term Club members will have happy memories of Joan's friendly outgoing nature, her generous hospitality at the many shed days she and Len hosted and the many Xmas raffle prizes she donated over the years as well as her 'best dressed' wins at Jaguar functions. We send Len our deepest condolences on Joan's passing.

August did bring with it some happy times at member organised activities which were well attended. Thank you to the organisers and check the JDCQ facebook and magazine for photos.

Calling all XK owners to participate in a special display at All British Day, 17 September, to commemorate the 75th anniversary of the XK engine and XK120. Contact Lloyd Andersen lloyd1jaglover@iprimus.com.au

Gentle Reminders:

- As a JDCQ member you are welcome to attend events organised by any Regional or Model Register, so don't forget to check the Calendar tab on the JDCQ website <https://www.jagqld.org.au/> and clicking on the event name itself will reveal further details of an event and flyer if available.
- As members give their time to organise these activities you are encouraged to give them your support and are asked to observe any RSVP date request. This could be required for catering or venue booking purposes or to decide if an activity is to proceed or be cancelled.

That's all for now.
