**"Performance

beyond praise . . ."** says Taxi-Truck owner.

"Dear Sirs, 1 Parade, Norwood, S.A.

has now done 13,000 miles, and used in my business as a Taxi-Truck.

It has been driven continuously and at time of writing has given no mechanical trouble whatsoever. The performance in the hills and traffic is beyond praise, petrol consumption averaging 26.3 m.p.g., and the original tyres are still in use.

Riding capabilities and seating accommodation have been enthusiastically praised by many of my clients.

Yours faithfully,  
S.A. Taxi Trucks.
