Opening of the Bruce Lynton New Premises

Following an invitation, 24 club members attended a cocktail party celebrating the opening of the new ultramodern sales and service centre of Bruce Lynton Jaguar and Range Rover in Southport on the 25th October. The Company welcomed over 300 guests to the cocktail party and provided a festive atmosphere with music, champagne and light refreshments hosted by a number of beautifully attired young ladies. Club members were given a guided tour of the building including the modern service facilities, in the centre of which was a blind pianist playing melodies on a baby grand piano and accompanied by his guide dog looking thoroughly bored with all the fuss. Both the XK150 of David and Robyn Hughes and the Mark V of Gary and Jane Mikkelsen were on show for the event. Bruce Lynton welcomed all the guests and hoped everybody was enjoying themselves and that the Company might see some of the guests visiting his showroom in the future.
