Changes to Mid-Week Events

This year the Committee has decided to make some changes to the way some events are organised to allow for an expanded choice of venues and reduce the workload of the organisers. Some events will now only be a Morning Tea Run or Lunch Only Run, where there is no route planned and members will drive directly to the venue, whether it be a coffee shop, restaurant or park (BYO). In addition, some events will be organised on a Tuesday instead of a Wednesday. These changes will be highlighted in the magazine as the date approaches.

The Committee requests members to consider volunteering to organised one these short events to help make this a successful year. The only organising required is to identify a suitable venue and make a booking for the number of members who have advised they will attend. (Non-committee members may be aware of interesting venues we have not visited before). Members interested are asked to contact David Willmott on 5593 2524 who is coordinating short events.

All recipients truly deserved their recognition – well done to them all.
