## Committee and Events

Unfortunately 2020 has not been as successful a year for the Gold Coast Register as previous years due to the health shutdowns. However our thanks goes to those members who have contributed in some way to the events we have been able to hold during the year, and to the 2020 Committee.

We would like to continue this tradition into 2021 so please consider putting your name forward for next year's committee at the AGM on the 30<sup>th</sup> November and maybe bring some fresh ideas into our events calendar. Even organising one event will contribute to making 2021 another great club year.
