## RACQ Motorfest – 19<sup>th</sup> July

A small group of our Gold Coast members got up before the birds on Sunday the 19<sup>th</sup> to make our way to the Brisbane RNA showgrounds for the 2022 RACQ Motorfest. As it was the 100<sup>th</sup> anniversary of the Jaguar company the RACQ proposed that the JDCQ organise a separate display of the marque, and provided a covered area for the cars in a large shed. Lloyd Anderson and the team from Brisbane did a great job in planning and were on hand to marshal the cars into allocated spaces. Well over 60 Jaguars were on display ranging in age from 1930 vintage SS vehicles to the latest models and were arranged generally in their models and years. E types and some other models were located on the grass area outside the shed so as to attract the attention of the public. We had to be on site by 7am so it was off to Brisbane in the dark. David Jones and Dennis Simpson brought up their XKs, Brian Hogan his XF, Dick Kennedy his Series 2 XJ and I got my Mk2 out of mothballs for the run. Di Cooper brought her XE and Gary Mikkelsen brought his D Type, accompanied on the run up by Di Cooper's Grandson Harry. (It was a cold morning for open cars)! Also joining us were Dave and Ruth Willmott and family members from the Cooper and Kennedy families. There was a great range of Australian, American, British and European vehicles located in the Main Arena, while vintage and veteran cars were located in an adjacent building to the Jaguar display or parked along the entrance street. It was great to see such a range of cars from years gone by, most of them we were familiar with. The Jaguar display got a lot of attention from the public, particularly as the food stalls were set up close by. We spent the day eating, chatting or wandering around looking at interesting cars. Di Cooper as President was interviewed on camera by RACQ representatives on the Jaguar marque and our club. Come 3pm there was a mad scramble for everybody to depart the site. This again was very well organised as the exit roads were lined with the public cheering us on while all intersections and traffic lights were manned by police, allowing everything to go smoothly. Using the Clem 7 tunnel I was soon on the M1 heading south followed closely by Dick in the XJ. The only downside was Brian's alternator failed and I snapped a fan belt on the return journey. We were both able to nurse the cars home.

David Willmott reports:

(a) The "Fourth Annual St Bernards Winter Lunch" up to Mt Tamborine was a success, now an annual event with good numbers and log fire. Thanks to Arthur & Caroline Kontalis.

(b) Thanked Andrew & Cheryl Danks for their organising of the run to the "Motor Cycle Museum" and morning tea on a beautiful day and then onto the Royal Hotel at Kalbar Museum", and the drive home.

David Willmott and Di Cooper reports:

(c) The RACQ Motorfest was held in Brisbane with about 65 Jaguars of varying models attending, not that the 100 to match the anniversary would have fitted there. Left at 5.30am for arrival at 7.00am and then a 3 hour wait to await the opening of the gates for the public entry. There were other marques in attendance also. Big hit was Gary's D-type and the joy it brought particularly to her grand-son who was the designated passenger. It ended at 3.00pm with the Police having blocked-off roads and intersections to allow outbound vehicles with lots of the public watching them off.

**Future Events.**

(a) David Willmott spoke on the upcoming (mid-week) brunch at the "View Cafe" at Hinze Dam on 6 July. Attendance 10.30am or earlier.

(b) Robin Kup-Ferroth spoke on his (Sunday) "Christmas-in-July" to be held on the 17 July at the Palmer Colonial Golf Club 11.30am for 12.00noon. Pre-payment requested by next Thursday at the latest.

(c) Brian Hogan spoke on his (mid-week) run to the "Pavillion Hotel" at Tyalgum on 3 August. Meet at Arthur Earle Park at 9.45am for 10.15am departure, the journey having a 63km range.

(d) Di Cooper confirmed the “Chariman’s Weekend to Glen Innes. The journey will go to Beaudesert, then down Lyons Road to Kyogle for a BYO morning tea. Lunch will be at the “Lunatic Hotel” at Drake, then two nights at the renovated “New England Motor Lodge” including breakfast and dinners. We will also attend the Inverell “National Transport Museum” and the “Tenterfield Railway Museum”.

#### **Cars & Parts.**

Ron Gaudion reports: X-Type for sale 2006 model, 183K, silver, 1 owner seeking \$6K with 6 months rego.

#### **Library.**

Ron Gaudion reports: a book and some magazines available for free.

#### **Editor.**

Robin Kup-ferroth: nothing to report.

#### **General Business.**

- (a) Kevin Grey asked about membership renewal procedure while Arthur Kontalis added concerns emails received having a link to make payment but could be misused (by rogues).
- (b) Di Cooper reports: The ACJC will be ending as only South Australia, Victoria and New South Wales will be retaining the concourse rally. Western Australia and Queensland are out and possibly Tasmania. Money will be set aside for insuring the trophies for next 5 years. Concourse numbers are way down with an anecdote on past events. The level of competition is very different with some cars restored professionally while others restored by members not able to compete. Likely to end with \$55K to be distributed by the ACJC.
- (c) Anecdote on Frank Munis’ journey in his 1990 XJS on a big tour with some roads flooded and big mileage of 4,000km plus.

**Lucky Door Prizes:** 3 wines and placemats, the former won by:

- 1.. Andrew Danks;

Thanks to Diana, Marilyn, Helen and Loy for tonight’s supper.

The meeting closed at 8.13pm.
