Brunch at Greendays Restaurant Bundall

March Events

We finally were able to run some events again after a difficult time with the health restrictions. Thanks go to the Hogan's and Howlett's for organising the events this month. We had a little drama at Greendays Restaurant on the Wednesday however, as when we arrived all was in darkness. All shops on site including the restaurant were experiencing a power blackout. Also affected were the local traffic lights and that caused some excitement at the corner of Bundall and Ashmore Roads until the 'boys in blue' arrived to bring a more orderly traffic flow. The staff took it in their stride at Greendays however, and could still rustle up most selections from the menu, although sadly there was no coffee. We started with a glass of 'champers' courtesy of Brian and Diana and although there was a smaller group than usual, we enjoyed the meal and company.

The event at the Historic River Mill at Mt. Nathan was also enjoyable and the restaurant always put on a good breakfast. Luckily it did not seem to have been affected by the extreme weather we have had lately. It is a popular place for families to eat out with its rustic charm and being located near a stream with wild life along the bank. There was a good roll up of our members and it was good to see Paul and Faye Wallis able to be with us. Thanks to Ray and Gwen for organising the morning.

It was good to meet up with our Jaguar friends again after the recent cancellations.

CLASSIC JAGUAR ENTHUSIASTS CLUB CHANGE TO SPECIAL INTEREST VEHICLE REGULATIONS

Continuing Club Membership is now Mandatory.

The biggest change commenced on 1 September with the new Regulation which provides for SIVS registration. The SIVS Guidelines include conditions issued under that Regulation. Previously, it was only necessary to belong to an Incorporated Vehicle Club (or Association) to obtain SIVS registration for the first time, but there was no legal obligation to remain a member thereafter. Clubs were often frustrated by people joining to access SIVS, but then never renewing. From now on, it is a condition of SIVS registration that the vehicle operator must belong to an Incorporated Vehicle Club.

There are 2 new provisions to note:

- (i) The SIVS Concession Registration must be removed if the registered operator is no longer a current member of an incorporated car club or association, and
- (ii) Use of the vehicle while not a member (or in contravention of any other SIVS restriction eg driving to and from work) now carries a penalty of up to \$2757 for vehicles up to 4.5 tonnes and \$8271 for heavier vehicles.

The responsibility is on individuals to comply, not clubs, but if you are aware of former members who are not members of other clubs using their vehicles illegally a quiet word might be appropriate. It is in all our interests to try to prevent abuse of the generous concession, or the right might be taken away.

RECIPE

The following recipe was provided by Irene Ross.

LIQUORICE ALL SORTS SLICE.

Ingredients

- 1 pkt of Maree 250 gr. biscuits crushed. 125gr butter chopped
- 1 tablespoon of golden syrup, 1 can of condensed milk,
- 1 Cup of coconut, 250gm Liquorice All Sorts chopped.
- 1 block of Cadbury Milk Chocolate for topping (I melt it in the microwave).

Method:

- Grease the lamington pan (I put baking paper in the pan);
- Combine butter, condensed, golden syrup in a saucepan over a low heat stir until all combined and starting to thicken;
- Stir in coconut, crushed biscuits and chopped Liquorice All Sorts;
- Mix well until all combined and then pour into pan promptly or it will set too quickly;
- Press mixture into pan and let cool and then pour over melted chocolate;
- Put into refrigerator to set a couple of hours and then cut into squares. It will keep in the freezer for at least a month in an air tight container and freezes very well.
- I prepare the dry ingredients first as it makes it easier and is ready to add to the caramel mixture. Because it will set very quickly you have to be quick with this part.
