VISIT TO BOND UNIVERSITY – WEDNESDAY RUN 3RD AUGUST 2016

We shall leave Arthur Earl Park Nerang at 09.30 for a BYO morning tea at the Hinterland Regional Park after a drive across the hinterland skyline. Please bring tables and chairs. From here we shall continue South popping up for skyline views on a route that keeps us in the City of Gold Coast. Our venue for Lunch is University Club Restaurant at Bond University. Besides the excellent food at the Club Restaurant and the ambiance of the Campus, we have arranged a special Corrigan Walk Art Tour after the meal. This is the largest private collection of indigenous art on public display and features the works of our most celebrated and revered indigenous artists. We will have a guide to explain everything. Dr Corrigan AM has put together this collection over the last 20 years, is a local resident, and supporter of the 'Arts'. Dr Patrick Corrigan AM was appointed to the Board of the Gold Coast Arts Centre in 1996 and is the longest serving board member with many paintings donated to the Art Gallery. Born in China he began his career in the transport industry in the 1960's and by the mid 70's he was head of several freight companies. Pat began his love affair with collecting art and art books in his 30's, and meeting artists and supporting their early careers, publishing books, commissioning sculpture and encouraging others to 'give' has all been part of his life in art. Pat is a recipient of the Keys to the City of the Gold Coast. Do bring friends who might like this little special diversion to our normal Wednesday runs, but because we are a group we do need to book and pay for the 2 course meal in advance. The cost of the whole day out is \$35.00 a head – payment by the meeting on the 25 July please.

MENU

MAIN:	Market Fresh Fish with Tempura Soft Shell Crab and Lemon Grass Curry
Alt:	Pork Belly with Parmesan Polenta, Roasted Shallots and Five Spiced Apple Relish
DESSERT:	Orange and Hazlenut Torta, Marmalade Syrup and Mascarpone Cream
Alt:	Apricot, Pear and Rosemary Clafoutis with Vanilla Crème Fraiche

Additionally we are welcome to visit the latest building on the Campus, the Architectural School which was sponsored by the Chairman of Sunland and designed by a British 'avant guard' architect in his 70's (An old customer of mine). He is now a visiting professor at Bond.
