More Upcoming Club Events - Organised by Derek McConnell

Mid-week Run 3rd August 2016

(NOTE: pre booking for this day is imperative).

We shall leave Arthur Earl Park Nerang at 09.30 for a BYO morning tea at the Hinterland Regional Park after a drive across the hinterland skyline!

Please bring tables and chairs as the ones available are not that large, however there are toilets! From here we shall continue South popping up for skyline views on a route that keeps us in the City of Gold Coast.

Our venue for Lunch is University Club Restaurant at Bond University, arriving from the South through the suburban backroads to Bermuda Street.

Besides the excellent food at the Club Restaurant and the ambiance of the Campus, we have arranged a special Corrigan Walk Art Tour after the meal.

This is the largest private collection of indigenous art on public display and features the works of our most celebrated and revered indigenous artists. We will have a guide to explain everything.

Dr Corrigan AM has put together this collection over the last 20 years, is a local resident, and supporter of the 'Arts'. You can Google this for more information.

Do bring friends who might like this little special diversion to our normal Wednesday runs but because we are a group we do need to book and pay for the 2 course meal in advance.

The cost of the whole day out is \$35.00 a head and payment must be made by the meeting on the 25 July, so put this in your diary now.

Additionally we are welcome to visit the latest building on the Campus, the Architectural School which was sponsored by the Chairman of Sunland and designed by a British 'avant guard' architect in his 70's (An old customer of Derek McConnell). He is now a visiting professor at Bond.

Spring Affair 18th September 2016

The 2016 Spring Affair is planned to encompass a run in the Northern residential part of the Gold Coast that has grown up so significantly in the last 10 years.

Morning tea will be by the Coomera River in a park, so plan to BYO food and drink and perhaps some chairs. There is a good shelter and toilet at the park (if no one else gets there first)!

Our run finishes at the Hilltop Art Gallery on Tambourine for a delicious lunch prepared by a Japanese Chef, and served by a Finish family, see menu below.

Again there will be local artwork on display which is constantly changing, and maybe something from our team on each table.
