It's That Time Again Nominations for the 2017 Committee

2016 has been a very successful year for the Gold Coast Register with great events taking us across parts of South East Queensland and Northern NSW and to a variety of restaurants, and thanks go to those members who have contributed in some way.

We would like to continue this tradition into 2017. To do this we need an active committee to manage the club business and plan and carry out the various activities. Helping out in the club is rewarding experience and a great way to enjoy friendships with people of similar interests.

Members are invited to put their name forward for a position on the committee for 2017. All positions become vacant at the end of the year and we welcome people that can contribute with new ideas for the new committee. Whether you wish to put in that little bit of extra effort and take a key position, or simply just help out as a member of the supporting committee who are asked to plan one event during the year, you would be welcome. We would love to have some more ladies on the committee.

Please contact Ron Gaudion on 5594 5205 before the November AGM, or see him at the November meeting and let him know your interest.

It's not hard and there are plenty of members to provide any guidance.
