

JAGUAR DRIVERS CLUB OF QUEENSLAND

WIDE BAY BURNETT REGISTER

(Bundaberg, Maryborough and Hervey Bay)

30th September 2016

Our last meeting was held in the Cosy Cafe in Biggenden. Whilst it was a wet cool day we had a pleasant day which commenced at the cafe for smoko and followed by the meeting. There were eleven members in attendance. Plans were laid for the remainder of the year.

After smoko we headed for the local museum for a look at the towns history which had more of interest than we had thought. This old truck pictured had a homemade water drilling rig mounted on the back which was built in 1944.

I found this rig fascinating as it was built from parts of all manner of bits and pieces. Very different to the Atlas Copco crawlair that I once worked with.

That's David Carlon with the truck which is still drivable.

The following pic is of Bevin Hillyard playing with an old telephone exchange and I am sure many will remember these

After the museum we headed back to the café for lunch.

Despite the inclement weather we had a good day spoiled only by having cleaned the car the day before and ruining the tyre black that I had used for the first time in ten years.

October 16th is the next meeting. Meet up at the park in Childers near the peanut van for smoko and meeting at 10.00am. Then the run to the deck at Woodgate for lunch. I understand the deck is in or attached to the caravan park.

This ol' girl was at Biggenden

November meeting is at Alexandra park in Bundaberg on the 13th. After the meeting we plan to adjourn to the Magpies club for lunch.

Rhonda Thrush and June Wilkie

Our Xmas dinner will be in Bundaberg staying at the Parklane Motel on the night of the 17th everyone please make your own booking to avoid confusion. Dinner will be at the Rowers club. Note that this is a weeknight. Plans are afoot to do the guided tour though the Bundaberg distillery and inspect the new facilities there on either the 17th or 18th. Details to be advised by the social secretary when plans are confirmed.

Thats it for today,

Bill
