GAYLENE'S PREAMBLE

Hello everyone. Well here we are again – where did that month go??!! I have just gotten home from our day out at “Childers Wings and Wheels”. It was a glorious day with lots of cars and planes to check out - more about that later.

Bob returned home at Easter for a quick visit. He was so busy ploughing through his long list of chores; he didn't have a moment to spare. Of course, as we all know, time goes by so quickly, and that list was not quite completed. Oh well, there is always next time!!

Bob decided to take a break from his mundane chores, so we went for a drive to check out North Bundaberg. I hadn't been over there since the floods as I didn't think it was appropriate to go sticky-beaking at people's misery and heartache. Bob and I were both shocked at the state of many of the houses in Gavin Street and this is 10 weeks after the event. It almost had me in tears looking at the houses that had sunk into holes and completely moved from their stumps – a lot more than I had expected and from what I heard on the news they had already demolished a couple. Having said that though, it is amazing how quickly they get things back to relative normality. Most of the roads over North have now been repaired.

Once again **please note** that there have been a couple of changes to the Calender of Events for 2013. Our advertised trip to **YEPPOON** on the **25/26 May** has now been cancelled. **The trip to Agnes Water on the 16 June has now been altered to a trip to Bundaberg.**

IAN AND JULES 1974 SERIES 11

THE JAGUAR LOOKING GREAT IN FRONT OF THAT SPECTACULAR BACKGROUND

WHAT'S BEEN HAPPENING?

During the last 4 weeks we have managed to fit in two outings, one being to Teddington Weir/Hervey Bay and the other to the Childers Wings and Wheels.

Teddington Weir/Hervey Bay – 28 April

Seven members drove to Teddington Weir on a rather warm and muggy morning for smoko. As I was unable to attend Irene gave me a rundown on the events of the day. Irene was the only female in attendance so I bet she heard **lots and lots about car engines!!!** I bet you are very knowledgeable now Irene.

DON'T THE JAGS LOOK GREAT AMONGST THOSE MAGNIFICENT TALL TREES AT TEDDINGTON WEIR

WHERE'S IRENE GUYS!! OH THERE SHE IS.....

**ALL ON HER LONESOME WITH THE JAGS TO
KEEP HER COMPANY – WHERE ARE THOSE WOMEN??**

From Teddington Weir, they said their goodbyes to Vic and then travelled back to Craignish to have a Barbie at John's house. You'll never guess who was chief-in-charge of preparing the barbeque lunch. Yes it was **IRENE** and I'm quite sure that she did a splendid job.

It appears that the boys had a great time checking out John's shed, and particularly getting instructions on how to operate the Scissor Hoist (**whatever that may be**)!!!

HOPE YOU BOYS ARE TAKING NOTES!!!

SO THAT'S HOW IT'S DONE!!!!

It was also Peter Carlson's Birthday so they celebrated with Apple Pie and Custard plus serenaded him with the usual Happy Birthday Song.

Joker Raffle

It was Bill's lucky day, but not for long!! This Joker is extremely elusive. The Jackpot amount is now \$58.00.

Childers Wings and Wheels – 5 May

It was an early rise for Possum and Irene as they had to be at the Childers Airstrip bright and early to secure a good spot for our Jaguar Club. I arrived at 8.30 a.m. and they were well and truly ensconced. It was a beautiful morning –

no rain – which is an added bonus these days. You never know when the clouds are going to open up!!! Although having said that, quite a few of the planes did start leaving about 11.30 a.m. as the clouds did begin to brew and started to look a little bit menacing.

Apparently numbers were way down from last year. Bob said that last year they ran out of food to purchase, but that wasn't the case this time – looked like they had heaps left. I went for a wander and checked out the aircraft, old cars and bikes.

Joker Raffle

As there were more members in attendance than expected, we decided to have the Joker Raffle. After all this time it was Irene's turn and I can tell you she was very excited. Although she did not pull out the Joker, she did guess the correct suit, which was Diamonds. She is the first person to accomplish that feat, so well done Irene and she also did collect \$10.00 – not a fortune but better than nothing. The Jackpot is now \$66.00.

Bill and Lee are now holidaying in New South Wales. Hope you have a lovely time.

WHAT'S COMING UP?

ANOTHER REMINDER

The scheduled trip to Yeppoon on the 25/26 May has now been cancelled due to the fact that no-one was able to attend.

16 June

This will now be a trip to Bundaberg. Bob will advise you by email as to the location and time.

To all those Mums out there I wish you a "Happy Mother's Day" and I hope you all have a lovely day being pampered.
