### **GAYLENE'S PREAMBLE**

Hello everyone. I have now returned from my 5 week holiday in Mt Isa, Alice Springs and Uluru which was all very wonderful, but I am now finding it very difficult to get back into the old routine – am now running around like a Looney as per usual!!!!

The most beautiful place on our travels was a spot called Adel's Grove at Lawn Hill National Park. It is a 4 hour drive from Mt Isa on some pretty rough road and a very desolate countryside. You really wonder what you are going to find at the end of the road – certainly not what I expected – pure paradise!!

Our trip up the river in our 2 seater Hobi Canoe was so tranquil and the scenery through the gorge was absolutely spectacular. We even got up close and personal to a fairly large freshwater crocodile sunning himself on the log. He wasn't particularly perturbed by our presence. People were happily swimming in the river with the crocodiles and according to the locals they don't harm us in anyway, but I certainly wasn't game enough to find out!!!!

We were extremely impressed with both Alice Springs and Uluru and we had beautiful weather the whole time we were away.

Bob is well and truly settled into his life in The Isa. He will be off to Normanton again shortly.

## **WHAT'S BEEN HAPPENING?**

There have been two outings in June and July, one in Bundaberg and the other at the Woodgate Bowls Club. The outing in July was listed as a Trip to Imbil but once again because of lack of numbers, this was altered to the Woodgate Bowls Club.

### **Bundaberg – 16 June**

On a very cool morning eight eager members met up at Alexandra Park in Bundaberg for morning tea. The breeze was a little brisk but a hot coffee soon warmed us up – sort of!!!!

#### **Joker Raffle**

Once again it was time for the Joker Raffle and it was Josie's turn to try her luck. Of course it was not her lucky day, so the jackpot is now \$76.00.

#### **ALEXANDRA PARK BACK TO ITS USUAL SELF AFTER THE DISASTROUS FLOODS**

Lunch was held at Grunske's By the River and I was sure glad that I was wearing a jacket as the breeze blowing across the Burnett River was rather chilly. The food was okay, but it is the position of the Restaurant that has the best appeal.

**YOU LOOK A TAD COLD, BILL!!**

## **Woodgate - 21 July**

This ended up being a trip to the Woodgate Bowls Club and according to all of those who attended it was a good day. As I was still in Mt Isa I was unable to attend.

### **Joker Raffle**

Possum had almost given up hope that he would ever get a chance to cut the deck, but guess what – it eventually became his turn. I reckon he was hoping for the win but alas once again it was not to be!! The jackpot is now \$86.00.

## **WHAT'S COMING UP?**

### **18 August**

This will be our Annual General Meeting and will be held at Vintner's Secret Vineyard in Childers. I have already booked a table for 10.00 a.m. where we will partake of morning tea, have a good old chat and then commence the meeting. Lunch will be between 12.00 and 12.30 p.m. and Bob has already forwarded an email to you all in relation to the cost.

**15 September**

This will be a trip to Gayndah where a visit to the Citroen Museum will be organised and lunch will be held at the Gayndah Hotel.

I thought this photo was great – It sure looks like hard work!
