Treasurer: Paul	0428155158
Social Sec: Bob	0428781901
Editor/Facebook	
Editor: Gaylene	41556552

27 August 2018

PREAMBLE

As of the 19 August 2018, after being elected at our Annual General Meeting, I am now your new Editor of the Wide Bay Burnett Register. I was Editor of this Register from August 2012 for 12 months, but due to family health issues I had to resign.

It was certainly a strange choice to be elected back in 2012 and that still remains the same today. I am certainly no car whiz and my knowledge of Model Types, Engine Types, Wheel Types and ages of Jaguars is very limited. My motto is, that if in doubt, ask Bob!

Being Editor will be a challenge for me but they say 'Variety is the Spice of Life'. I would like to take this opportunity to thank Bill for the great job that he has done as Editor over the past 10 years. Wow, that's a long time Bill – very well done.

ANNUAL GENERAL MEETING

Our AGM was held on Sunday 19 August at 'Bamboo Land Nursery and Parklands' Torbanlea. The results of the elected Committee was as follows: -

Chairman:	Bill Buckley
Secretary:	Arthur Bock
Treasurer:	Paul Mittelheuser
Social Secretary:	Bob McLean
Editor and Facebook	
Editor:	Gaylene McLean

Congratulations to all those elected.

Sandy has been our photographer for over 12 months and has been supplying me with photos for Facebook for the last 6 months. I would like to thank her for her assistance. It is greatly appreciated.

(From L to R) Arthur, Bob, Bill, Paul (and front) Gaylene

There was a very large attendance at the Annual General Meeting which was great to see, as generally when you mention an AGM, people run a mile! Once again it was lovely to see Peter Carlson.

Raffle at Annual General Meeting

For the last 3 months we have been running a Raffle at each meeting. Yours truly won the Raffle for the second time. Generally my winning streak is nil, but it appears that my luck has now changed!

Following the AGM we drove to Howard and had lunch at 'The Grand Hotel'. It is a beautiful old hotel and I thought it was actually one of the better hotels that we have visited during all our travels. The staff were extremely friendly, the service was excellent, and the food was yummy. It obviously has a very good name as Howard is a very small town and I was quite surprised of the amount of people who were there having lunch.

WHAT'S BEEN HAPPENING?

July and August have been busy months for us, which included a drive to Maryborough and the 'Silky Oak Tea Gardens' at Kia Ora, Mid-Week Run to Bundaberg and our Annual General Meeting at 'Bamboo Land' Torbanlea.

Trip to Maryborough and 'Silky Oak Tea Gardens' – 15th July

It was a brisk morning when we left to travel to Maryborough for morning tea and our monthly meeting, which was held at 'Anzac Park' Maryborough. Our monthly Raffle was won by Bill Buckley.

The lovely Jaguars at 'Anzac Park'

After our morning tea, we meandered along a very scenic drive to the 'Silky Oak Tea Gardens' at Kia Ora, where sits the very delightful Tea Gardens, nestled in amongst a bushy and flowery environment. It is such a relaxing venue and the food is always very tasty.

Members having morning tea at Anzac Park

Mid-Week Run – 9th August

Those members who live in Maryborough and Hervey Bay travelled to Bundaberg for morning tea at the '11 Acres Café'. A long drive, you may say, just to have a coffee! This café has been built on a very picturesque setting and is quite beautiful. The morning was enjoyed by all which included heaps of chatting, eating, drinking coffee, and generally chill-axing.

WHAT'S COMING UP?

16th September

This is a Shed Day which will be held at Robert and Toni's house at Mothar Mountain (near Gympie). We will then travel to the 'Old Gympie Heritage Rail Station Café' for lunch, where we will meet up with the members of the Sunshine Coast Register.

14th October

We will be attending the 'Classic Car and Motor Cycle Festival' at Buxton.

"As Bill says" – Remember to keep the revs up!

Gaylene
