

9th Sept 2017

G, day to you all.

We held our latest meeting August 20th which was followed by the AGM. This was held in the Alexandra Park in Bundaberg, followed by lunch in Baltimore's restaurant in the port precinct. Results of the vote for committee members were as follows.

CHAIR. Arthur Bock.
SECRETARY. Lee Buckley.
SOCIALSECRETARY. Bob McLean.
TREASURER: Paul Mittleheuser.
EDITOR. Bill Buckley.

Bob is the only change to the lineup as Rhonda (former social sec) and Ernie are going travelling long term. As usual for an AGM, members were a bit light on and almost all the usual crew were elected.

Baltimore's was a pleasant spot for lunch and reasonably priced setting near the mooring for the old navy ship Tobruk which unfortunately we were unable to go and have a gander at it. The meals were good and prices reasonable.

Coming up on the 17th Sept is the visit to Brooklyn House in Howard. I believe the house has had lots of work done

JAGUAR DRIVERS CLUB QLD, WIDE BAY BURNETT REGISTER.

Maryborough, Bundaberg, Hervey Bay

and is quite a sight. Smoko can be had there and a meeting then we drive to Maryborough to the Wharf restaurant

for lunch.

Lee and I had lunch here last week and found it quite pleasant on the water watching nothing in particular.

September 30th is the run to Rockhampton for the anniversary of the Capricornia register. The plan is to stay in the Rocky resort in Rocky, near Curtis Park. More details will be available on this one as some are only staying one night and others for the long weekend. We will most likely meet up In Childers to travel together in convoy.

We have graciously invited ourselves to Rockhampton and I think this will be a good weekend and we can meet up with old friends from their register.

Nov 12th is the run to the Childers military museum which, I believe is quite good. This visit it to be followed by lunch at the Isis club. Meeting times and details to be advised.

November the 25/26 is the overnight run to Kingaroy. This will include visits to wineries and other highlights of the region. Social secretary will advise more details as they come to hand.

That's it for now, see you at the next meeting.

Regards, Bill
